EXPERIENCE

Freelancing:

- Created a website for a US client's cab service – VA Limo Services
- Created an e-commerce website for a local client – Shri Material

Web Developer: MedCab Care Pvt. Ltd. (In-office, Lucknow, India)   Aug 2023- Apr 2024

- Contributed to the creation of two data management panels and live websites.
- Skills used: Laravel, PHP, MySQL, HTML, CSS, JavaScript, jQuery and Bootstrap.

Kaboodle Innovations: Front-end Development Intern (Work From Home)   Sept 2021- Nov 2021

- Demonstrated proficiency in creating a mobile-friendly and responsive website.
- Skills used: HTML, CSS, JavaScript, JQuery and Bootstrap.

PROJECTS

Notes Sharing using MERN: Designed and implemented a user-friendly interface for creating, editing, and sharing notes securely. Integrated real-time collaboration features to enable simultaneous editing by multiple users and admins. Employed RESTful APIs for seamless communication between the frontend and backend.

OTHER ACHIEVEMENTS

- Won at the regional level of the **Solving for India hackathon** which was conducted by GeeksforGeeks, Google Cloud, and AMD. As a result, we were selected to proceed to the national round.
